kaart gemeente 1865

An aerial map of the village of Kaniyapuram. The map shows a network of roads and a grid of land parcels. A prominent road runs diagonally from the top left towards the bottom right. To the left of this road, there is a large, irregularly shaped area that appears to be a field or a large plot of land. To the right of the main road, there are several smaller, rectangular plots, some of which are shaded in light blue, possibly indicating water bodies or specific land use. The overall layout suggests a planned or semi-planned village structure.
